

LCS Preschool

Welcome to our programs!

Thank you for choosing LCS Preschool to begin your child's educational journey! We are so excited to get to know you and your family this year.

LCS Preschool is a part of Kids and Company and Lapeer Community Schools. We are a licensed center through the state of Michigan. Our staff have education and experience in early childhood and/or child development. We strive to provide the highest quality preschool in order to help your child be successful in kindergarten and beyond!

Please be sure to return all required paperwork as soon as possible. **All required paperwork and appropriate fees must be paid in order to hold your child's spot.** Please don't hesitate to ask if you have any questions about this process.

Please be sure to check out our **Parent Handbook**. You may request a copy at our office or access it on our webpage located at www.lapeerschools.org. This has very important information regarding a variety of policies we have here at Kids and Company.

All of our programs utilize the **Creative Curriculum: Teaching Strategies Gold**. This is a nationally recognized program for preschool curriculum. Be sure to access our **Early Childhood Curriculum Guide** for more specific information regarding our curriculum and goals for the children in our program. This can also be requested at our office or on our website. You will receive a copy of this guide at the Parent Orientation in August.

From the Director

Welcome to our programs! As the year progresses, please stop in and see me! My office is located across from the main Kids and Co. office. I enjoy getting to know all of our families. Please do not hesitate to call or stop in and talk to me about any questions or

concerns you may have throughout the year. We are here for you and your child and want you to have a positive experience with us. Your child's first experience with school is so important and we want him/her to begin developing a passion for learning and

exploring the world! Thank you and see you soon.
